

The tendency has long been to compartmentalize the study of government institutions on the side of order, system, and routine in politics, to identify them with “politics-as-usual” and look outside of them for the “real” forces of change. But the presidency has never fit this frame very well.... Array the stories of the presidents in succession—each in turn endowed with broad constitutional powers and determined to exercise them in his own right—and the blunt disruptive force of this institution instantly comes to the fore. Together these stories tell of an office that regularly reaches beyond itself to assert control over others, one whose deep-seated impulse to *reorder* things routinely jolts order and routine elsewhere, one whose normal activities and operations alter system boundaries and recast political possibilities.

—Stephen Skowronek, *The Politics Presidents Make* (1993)

Political Science 4036
The American Presidency
Fall 2019

Instructor: James Stoner <poston@lsu.edu>
Stubbs 214 (tel: 225-578-2538)

Office Hours: Mondays, 10:00-11:00 am;
Wednesdays, 1:30-2:30 pm; and by appointment

Course requirements:

- Regular attendance for the entire class period [deductions for unexcused absence]
- Daily quizzes on the reading [20%]
- Midterm examination, on October 7 [20%]
